

USA Karate Dojo is now holding a **UNIFORM DONATION DRIVE...**

You can get involved and easily support our international Karate community!

...FOR OUR SISTER DOJO IN MIRASSOL, BRAZIL!

Many students just like you at our sister schools in Brazil do not have *dogis* (uniforms) to train in. Our dojo is now running a Uniform Donation Drive to provide these gis to those who lack them.

How Can I Give a Gi?

The process is simple. You may either bring an old gi in to the dojo to **donate**, or you may **sponsor** someone in Brazil to receive one. A donation of \$20 buys a uniform for a Karate brother or sister in Mirassol. Should you choose to bring in an old gi for donation, please make sure it is clean and in wearable condition when you do.

Questions?

Please feel free to call or email Shihan Joni to ask about donating.
